### Writing Home.

The following is a true incident that came under our observation and may be suggestive to some:

A young man employed in a city had not written home in 4 months not even to his mother. His mother reproached him bitterly for his neglect.

He lived in the country on a farm, and his letters were an event of their lives. "You ought to be ashamed of yourself to treat your relatives like that," said a lady to him. "Well I know I ought, at least I suppose I ought, but you see, I've been here in town three years."

I work as hard as I can and watch every opportunity to better myself honestly, and I really think I am getting on. I need something cheerful and lightening to my life out of work hours. But, if you will believe me, in all the three years years I've been here I've never once had a letter from home which did not contain bad news or doleful and depressing thoughts that made me blue for days. It's got so I dread to open a letter with the home postmark upon it. Every item of disease that affects any of the family, even to a toothache, is poured into me. Every letter is full of moaning about poverty or the failure of crops the quarrelsomeness of this or that neighbor, the dread of a mortgage on the farm, the creeping of age and helplessness of my mother and father, and threatened blindness of old Great-uncle Jehoshaphat, the fear that brother Ned is taking to drink or that sister Mary is going to marry that no account Tom Bradley. If there is nothing else there's a gathering up of all the scandal garbage in the country, and it's unloaded on me. I can't stand it any longer. Mother's letters are so doleful and miserable and full of anxious graveyard forebodings that they almost make me laugh some times in spite of myself.

That's why I stopped writing home.

It may cool us off these hot days to think about cold weather. For instance, it was so cold in the winter of 1882 that two sundogs froze to death and a farmer took their hides and made a fur coat for himself.

In 1883 one of our ministers had a night mare, but she froze her feet so badly that she shed her hoofs. In 1861 some people's verities froze so hard that they have never thawed out.

Mr. Adams will be greatly missed in our Sunday school. For several months he has attended regularly. Mr. Adams was born and raised in Lawrence county. Was married three times, his last wife the widow of Wm. Hays, who died about three years ago. He was successful in accumulating a comfortable living. He had lived out the allotted time to man, three-score years and ten. Of him we can truly say, "Blessed are the dead who die in the Lord, for they rest from their labors and their works do follow them." We only hope that the mantle of his spotless character will fall on the shoulders of his children and grand children and in the sweet bye and bye, they will meet where parting words are never spoken. making home attractive, so the young people will not want to wander away from them; but it is a private opinion one hardly dares to express, that there is too much being done for young America in the well-to-do classes; they are coddled and humored and given places while the parents take the rough ones, until the parlor has come to be looked upon as their orbit, while the mother "lives and moves and has her being" in the kitchen.

The girl with a sweet little voice need not feel discouraged because she has no opportunity to sing in grand opera. She can give great pleasure by being a songbird in the home nest. Or if she has a knack with her brush or pencil, let her artistic tendencies fall away in making her home pretty.

### Don't Let Baby Suffer with Eczema And Skin Eruptions.

Babies need a perfect skin-covering. Skin eruptions cause them not only intense suffering, but hinder their growth. DR. HOBSON'S ECZEMA OINTMENT can be relied on for relief and permanent cure of suffering babies whose skin eruptions have made their life miserable. "Our baby was afflicted with breaking out of the skin all over the face and scalp. Doctors and skin specialists failed to help. We tried Dr. Hobson's Eczema Ointment and were overjoyed to see baby completely cured before one box was used," writes Mrs. Strubler, Duquoin, Iowa. All druggists, or by mail, 50c.

### DEATH OF MR. ADAMS.

One of Lawrence county's best citizens and a prominent business man of Adams suddenly passed away. Some years ago Mr. Adams was stricken with paralysis from which he never fully recovered, and on last Tuesday morning he had another stroke and died Sept. 18th, at the home of his son, Monroe Adams, and was laid to rest in the family grave yard the following day to await the time when Christ says all shall come forth. A very large concourse of his neighbors and friends with sorrowing hearts attended the funeral. His four children, Isaac and Monroe Adams, both of Adams, Mrs. Turza Thompson, of Ellen, and Mrs. Dock Prince, of Irad, were almost constantly by the bedside of their aged father during his short illness. The death of this good man is not only a shock to the children and near relatives, but the whole community mourns the loss of him who for many years had responded to the call of those who needed help. We believe that on the eve of his death as the soul of Mr. Adams left the tabernacle of clay the God whom he served spoke to him saying "enter into the rest prepared for you from the foundation of the world, for in yonder's world I was sick and in prison and you visited me; hungry and you fed me, naked and you clothed me; and you gave me drink; for in as much as you did it unto the least of these, my brethren, you did it unto me."

These prizes are all valuable and all are ones that are worth more than you will be out when the contest ends. To enter this contest send your name and address to THE COUNTY ENGINEER stating the two miles you have selected that it may be entered in a book kept for the purpose. Mr. Geo. R. Vinson, Cashier of The First National Bank, Mr. M. F. Conley, Cashier of The Louisa National Bank, and a representative from the Department of Public Roads, Frankfort, will go over your roads between the first and thirty-first of March 1914, act as Judges and award prizes to the successful ones. All persons are eligible to compete except Assistants to THE COUNTY ENGINEER, they will not be competitors. The time to begin is now. In working the six day labor there are some instances where it is impossible to get teams if you would take your team and help, you will have your road ready to use the drag by the time the six day labor is all in, and be this much ahead toward using your drag. You can get full information how to make, how to use, and when to use these drags by calling at either bank in Louisa or at the office of THE COUNTY ENGINEER. You can make one of these drags in an hour or two without any cost. They are simple yet the most efficient device known for the keeping of a dirt road in condition and at no expense compared with the benefits. All you have to do to win of these splendid prizes is to ditch two miles of your road and then use the drag at- ter rains to keep it in shape. All things will be taken into consideration by the judges such as grades, location, etc., all difficulties under which you labored to maintain your two miles. If you make changes to put road where it will be easier maintained and give better service to the traveling public generally this will be taken into the grading by the judges. This is the best opportunity you will ever have to help yourself and your county at the same time. All these parties who are giving so liberally to get the split log drag generally introduced in this county know that when you fully realize the efficiency and the cheapness of maintaining roads with this drag that our bad roads are ended. Some progressive up-to-date citizens of this county are going to win some fine prizes, will it be you? Come in look the prizes over, get full information and get busy.

A complete list of prizes offered for the maintenance of 2 miles of road anywhere in Lawrence county are given above and the method of their awarding. The split log drag is being used by the following citizens of this county. Ask them for the list of names.
